CLIENT SERVICES

Direct Hire

We offer a full complement of services – extensive candidate searches, in-depth interviews, complete behavioral and skills assessments and presentations of fully qualified candidates who will be poised to make an impact.

Temporary-to-Hire

Godshall's flexible temporary-to-hire program allows you to reduce hiring risk by evaluating an employee on a trial basis. When you feel you have a match, just let us know and we will make the transition easy.

Contract / Expertise on Demand[®]

Complex, high-level projects require subject matter experts. Access specialized human resources, financial, engineering and IT talent for short- and long-term contracts to manage specialized business needs.

Temporary

Manage variable workloads, busy seasons and large projects with skilled, vetted and verified temporary workers handpicked for your business. Godshall is an industry leader, recognized as a premier provider of temporary staffing services.

What Others Are Saying About Godshall

"As an international business within a very unique industry, our search can be somewhat challenging. In all instances, we have found your staff to be excellent in identifying stellar candidates for our positions. Your firm has always had the uncanny ability to key in on the qualifications and personalities that are best suited to our company."
